- 7) When you will have your own recipe created, go back to Main page, and click on Create
- 8) You will see updated Recipe overview and, on your USB stick you will have Folder JIPA\UPLOAD\CookerRecipes\"Here are the created recipes"

9) Then, on Main screen click on Service menu

10) In service menu click on USB

11) In USB menu switch arrow from USB to Machine

JIPA International s.r.o. Formanská 6 149 00, Praha - Újezd u Průhonic | Česká republika | T +420 602 319 988 | info@jipainternational.cz | www.jipainternational.cz | Č 06027423 | DČ CZ06027423 | id datové schránky: 6rbhjeg | Zapsáno v obchodním rejstříku vedeném Městským soudem v Praze, oddíl C, vložka 307082

12) Plug USB stick into the machine, choose Cooker recipes and press START

	<b>16:15</b>  07.12.20
